

Huntington Foam Now “Huntington Solutions”

Name Change to Recognize Broader Array of Services for Huntington’s customer base

Greer, SC – April 28, 2017 – Huntington Foam, a leading provider of custom-engineered expanded polystyrene (EPS) and expanded polypropylene (EPP) molded foam solutions announced today that the company has rebranded as “Huntington Solutions”. This includes the launch of a newly redesigned company logo.

"This rebranding effort is a significant recognition of Huntington’s on-going commitment to our customers." commented Ed Flynn, President of Huntington Solutions. "In addition to producing the most cost effective and highest quality molded foam components in the industry, our employees recognize that our impact goes far beyond an individual component. Every day, we are helping our customers find better ways to protect their products, to improve their supply chain and to enhance the quality and performance of their final products. In the months ahead, we will be making targeted strategic investments to broaden Huntington’s range of product offerings, to expand our geographic reach and to increase our capabilities to provide the very best protective packaging solutions."

About Huntington Solutions

Headquartered in Greer, SC, Huntington Solutions is a leading provider of custom-engineered shape-molded and fabricated foam made from expanded polystyrene (EPS), expanded polypropylene (EPP) and other advanced resins. The company’s four production facilities, strategically located in South Carolina, Michigan, and two in Mexico, specialize in the production and assembly of key components utilized in protective packaging, energy absorbing safety materials and temperature controlled containers.
